## Help swing the vote for Redbridge's Parks!

Help win £400,000 each to improve Fairlop Waters and Goodmayes Park.

The Mayor of London has short-listed these as Priority Parks. Grants will be awarded to parks that receive the most public votes.

Redbridge has fantastic parks and open spaces for relaxation, sport, nature, children's play and organised activities.

If we win, this money would be used to improve:

- sport and leisure facilities
- cycleways and footpaths
- entrances and notices
- wildlife and flower beds
